

Rules & Guidelines

We ask guests to remember that you are adventuring into an immersive experience with wildlife! Because of this unique adventure we do have rules that aren't typical of other glamping sites that must be followed for the safety of our guests and the animals. Please reach out if you have any questions about any of the rules.

- **DO NOT FEED THE ANIMALS.** The animals around you have extremely sensitive stomachs and are on a highly regulated diet. Anything given to the animals outside of their diet has the potential to cause serious damage and possible death of that animal.
- Do not stick anything into the enclosure, this includes but not limited to; food, clothing, trash, body parts.
- Do not shine your flashlight, lantern or headlamp at the animals.
- Do not attempt to scare/startle or cause the animals to stampede.
- Do not attempt to lure, call, or bait any animal to the glamping area.
- Smoking of any kind (tobacco, recreational, or e-cigarettes) are not permitted anywhere on the property including tents and common areas. A \$250 cleaning fee will be assessed to any tents that smell like smoke at checkout.
- No illegal drugs allowed. Reasonable alcohol consumption is allowed. Drunk and disorderly conduct will not be tolerated.
- All trash, clothing, and luggage must be kept in the tent at all times. High winds pick up quickly and any blowing trash may cause problems for the animals.
- Candles or any other open flame may not be burned inside the tents.
- Children must be supervised by a responsible adult at all times.
- There is a maximum of 4 guests per tent.
- In an emergency situation you agree to follow all verbal directions given by camp porter/host and Out of Africa Employees.
- There are absolutely no pets allowed in the glamping area (including service animals).
- As courtesy to all our guests, please adhere to quiet hours between 10pm-6am.
- Dispose of all trash, discard in appropriate recycling and trash containers with locking lids. Do not leave any trash, clothing, materials outside of the tent.
- No drones are permitted on the property.
- Only use the propane grill provided, in the designated kitchen location.
- We will not give credit or refunds due to the discomforts of nature. While we will do our best to make our guests comfortable, we can't control the weather and the fun will continue rain or shine, heat or cold. Our cancellation policy varies depending on the timing of your cancellation notice.

FAILURE TO OBEY ANY RULES OR REGULATIONS WILL RESULT IN FORFEITURE OF YOUR TENT PAYMENT AND IMMEDIATE EVICTION FROM THE PROPERTY.
